MONTCLAIR

**HISTORY**

CyBelle's Pizza in Montclair is a family owned restaurant—never a franchise—and has proudly been serving the local community since 1988. While upon our 25 year anniversary here, we are committed to making great pizza for the families that have patronized us and are thankful for the support.

**PIZZA**

Fresh and hand-tossed, our pizza is made with a rich, zesty sauce from ripe California tomatoes, a home-made dough recipe, and the highest quality mozzarella cheese from the Golden State. From the onset, we've been using a lighter, smoother mozzarella cheese—with half the fat of regular mozzarella.

**COMMUNITY**

We always try to fulfill our donation requests, especially to support our local schools. If you believe you have a good cause, please email us at kinwch@yahoo.com and tell us about your event and why it is important to help out. Looking to raise money for your charitable organization? We have been giving back and donating 25% of the sales from a fundraising event.

**SCHOOLS**

Is your school in need of a wholesome and tasty meal option? For over 20 years, we've been serving our pizza in the area schools and know the challenges today of providing a balanced menu plan. And our product qualifies for the whole grain and nutrition goals of our school districts. Volume pricing is available—call to discuss.
